Northern Lights or Aurora Image- 1

Iceland is a Nordic island country in the North Atlantic, with a population of 348,580 and an area of 103,000 km² (40,000 sq mi), making it the most sparsely populated country in Europe. The population of Sheeps are double the human population.. Its an amazing country in the world. It is also called the country of volcano due to Iceland has hundreds of volcanoes with about 30 active volcanic systems

Due to volcano the soil is black in colour like burnt soil' he captured the beauty of Iceland during my visit during 19th Sept. to 1st Oct,2018.

Northern Lights or Aurora

(Image 1 & 2)

The bright dancing lights of the aurora are actually collisions between electrically charged particles from the sun that enter the earth's atmosphere.

The lights are seen above the magnetic poles of the northern and southern hemispheres.

They are known as 'Aurora borealis' in the north and 'Aurora australis' in the south.

Northern Lights or Aurora

Image-2

Northern Lights or Aurora are seen in Norway, Finland, Sweden, Iceland, Northern Canada and Scotland, United Kingdom. He captured Northern Light on 22nd September during 2 to 3AM (Island time) at Godafoss waterfall.

Landscape: (Image-3,4,5)

Image-3

Iceland is full of natural beauty. Almost after every kilometre he found different kind of Landscapes, but due to strict discipline. He was not supposed to stop the car on the way except the dedicated parking place.

He captured landscapes at iconic locations like Eastrahorn, Kukjufel and Westrahorn.

Image-4

Iceburg

Iceland is also famous for Glaciers and Icebergs. He captured the beauty of Iceberg at Svinafellsjokull Glacier..

Image-6

Image-7

Wreck Plane (Image 7)

In 1973 a United States Navy DC plane ran out of fuel and crashed on the black beach at Sólheimasandur, in the South Coast of Iceland. Fortunately, everyone in that plane survived. Later it turned out that the pilot had simply switched over to the wrong fuel tank. The remains are still on the sand very close to the sea. It has been kept as it is for Tourist. He captured this wreck plane after walking 6 Kms one way.

Fashion shoot in Iceland

(Image 8,9,10,11,12)

He Carried Indian traditional Saree from India .It was his dream to shoot foreign model in foreign land with Indian traditional costume like Saree. He did fashion shoot with model Jocylin Anali from Mexico at Black Beach of Iceland. Since People here like riding horses, So he clicked few frames using horses with Jocylin Anali from Mexico and Clara Maria from Argentina.
